Why you Should Teach your Kids to Code

Learn to Create
Technology
Instead of Using
Technology

Improves
Problem Solving
Skills

Improves
Logic

Improves
Concentration

Apply Math in
Real Life
Scenario's

Learn Planning
of Tasks and
Completing
Tasks

Improves
Creativity

Improves
Organization
Skills

“

TOPS has created a life changing experience for both my sons. In just one week, my children got converted from playing games to coding by themselves.

- **Saumil Shah**

“Father of TOPS Kids Student”
